Mint of the United States at Philadelphia,

ASSAY DEPARTMENT,

Sept 15, 1886

Dear Mr Lee

I wish to apprise you of a change that is going to be made in our department. Mr Patterson DuBois the Asst Assayer has tendered his resignation to the Superintendent, and when asked by Mr Story where he was to find a successor - named myself as being fully competent to fill the position - knowing me as he had for de

many years, and associated
working with me side by side
day after day - not only in his
time - but also during his
fathers occupancy of the
same office. Now Mr Lee
I write asking you when an
opportunity offers, to put in
a good word for me to
Mr Fox. I do not think I
am asking too much, for
nearly my whole life work
has been spent in the Mail
service, and if promotion is
to come to those who have
been faithful & competent
I think that apply to myself
awaiting a favorable result -

I am Yours Very Truly

Dear Mr. Lee

I wish to apprise you of a charge that is going to be made in our department. Mr. Patterson Du Bois the Asst. Assayer has tendered his resignation to the Superintendent, and when asked by Mr. Fox where he was to find a successor – named myself as being fully competent to fill the position. Knowing me as he had for so many years, and associated & working with me side by side day after day - not only in his time – but also during his father's occupancy of the same office. Now Mr. Lee I write asking you when an opportunity offers, to put in a good word for me to Mr. Fox. I don't think I am asking too much, for nearly my whole life work has been spent in the Mint service, and if promotion is to come to those who have been faithful & competent I think that applys to myself. Awaiting a favorable result.

Yours Very Truly,
William M. Justine
